**APBPM**

**ASIA PACIFIC CONFERENCE on BUSINESS PROCESS MANAGEMENT**

**24-26 JUNE 2015**

**BUSAN, KOREA**

---

**INTRODUCTION**

The Asia-Pacific Conference on Business Process Management 2015 (APBPM 2015) is the third edition of the reference conference for researchers and practitioners in the field of Business Process Management (BPM) in the region. It aims to provide a high quality forum for researchers and practitioners to exchange research findings and ideas on BPM technologies and practices that are highly relevant to the Asia-Pacific region. At the same time, the conference committee welcomes submissions on relevant topics from all over the world. A key objective of the conference is to set up a bridge between actual industrial requirements and leading edge research outcomes in the Asia-Pacific region.

**CONFERENCE TOPICS**

The topics for both research and industry papers include, but are not limited to:

- **Process design and modeling**
  - Process modeling languages
  - Process modeling notations
  - Process model repositories
  - Process patterns
  - Process reference models
  - Process configuration
  - Process model change and evolution

- **Process management and execution**
  - Business process monitoring
  - Adaptive process control
  - Process-driven performance management
  - Process diagnosis
  - Optimized execution of business processes
  - Context-aware process management

- **BPM system design and development**
  - BPM system architectures and platforms
  - Service oriented architectures for BPM
  - Open-source BPM
  - Mobile and social BPM
  - Cloud computing and BPM

- **Process mining and business process intelligence**
  - Process knowledge discovery
  - Business Intelligence for business processes
  - Log analytics in Internet of Things (IoT) environments
  - Social network analysis from event log
  - Operational intelligence using process mining techniques
  - Complex event processing
  - Process data analytics and visualization

- **Domain-specific BPM**
  - Business process improvement
  - Data-driven processes
  - Big data in BPM
  - Decision science and BPM
  - Supply Chain Processes
  - Logistics process management
  - Data mining for Business Processes
  - Experience reports from BPM implementations within the Asia-Pacific region
  - Case studies carried out within the Asia-Pacific region (BPM in logistics, manufacturing, healthcare, etc.)

---

**LOCATION**

**Busan Metropolitan City**, located on the southeastern tip of the Korean Peninsula, is the second largest city in Korea. The natural environment of Busan is a perfect example of harmony between mountains, rivers and sea. Its deep harbor and gentle tides have allowed it to grow into the largest container handling port in the country and the fifth largest in the world. The city’s natural endowments and rich history have resulted in Busan’s increasing reputation as a world class city of tourism and culture. Busan is also becoming renowned as an international convention destination.
SUBMISSION INSTRUCTIONS

Papers should be formatted according to Springer’s LNBIP formatting guidelines (for instructions and style sheets see http://www.springer.com/computer/lncs?SGWID=0-164-6-791344-0). Submissions must be in English. Full papers must not exceed 15 pages. Short papers are limited to at most 4 pages. The title page must contain a short abstract clarifying the relation of the paper with the topics above. The paper must clearly state the problem being addressed, the goal of the work, the results achieved, and the relation to other work. Papers should be submitted electronically as a self-contained PDF file via the AP-BPM’15 submission system. Submissions must be original contributions that have not been published previously, nor already submitted to other conferences or journals in parallel with this conference. Papers should be submitted electronically in PDF format via the AP-BPM’15 EasyChair submission site: https://easychair.org/conferences/?conf=apbpm2015.

Inquiries regarding this call for papers may be addressed to the secretary of this program at: bernardo (at) hufs.ac.kr
REGISTRATION FEE
Early Bird (Before May 1, 2015): 250$ (USD) for students, 350$ (USD) otherwise
Late Registration (After May 1, 2015): 250$ (USD) for students, 450$ (USD) otherwise

VENUE
BEXCO (http://www.bexco.co.kr/eng/Main.do) in Pusan, Korea. BEXCO, opening its doors in May 2001 in the prized location of Haeundae, Korea’s greatest tourist spot, continues to set new records for events hosted each year, successfully hosting mammoth-scale international exhibitions, international conferences, a variety of small and medium-scale conferences, corporate events, and others. Based on this continued success, BEXCO is fast establishing itself as “Asia’s leading exhibition and convention hub.” You can find a lot of useful information (Accommodation, Location and Tour, etc) in the web site.
